

# Authorizations

## Authorizations

Authorizations allows a teacher to teach a subject area at a grade level for a duration of time. Authorizations can be comprised on multiple credentials.

Delete the CredAuthorizations table - DONE

7- NV | TEACHERS | For Authorizations, add a multi-select pick list that allows users to select from the credential table.

Add an expiry date field to authorizations - DONE

7-NV | TEACHERS | For the authorization expiry date, find the soonest expiry date of all linked credentials
