

School Systems

A school system is a group of learning centers at different locations run by the same organization. Studia Nova encourages the development of learning center systems ,as experienced operators bring more to the table. We offer the following incentives:

Incentives

- No cost website upgrade to configure for multiple locations
- No increase in recurring fees on Website
- **\$1,000 one-time credit** towards any fees for every new location that is opened

Per Seat pricing

- Per seat pricing does not increase beyond the Standard School level, regardless of how many sites you operate

Exclusivity

- For operators in good standing with good academic results, Studia Nova is willing to negotiate territory exclusivity based on the following conditions:
 - Parent survey
 - Student progress (as measured in increase in performance since starting, not absolute levels)
 - Enrollment success
